

Certificate of Approval

This is to certify that the Management System of:

SAACKE GmbH

13 Südweststr., 28237 Bremen, Germany

has been approved by LRQA to the following standards:

SCCP – unrestricted certificate for the petrochemical sector and that this conforms to the Sicherheits Certifikat Contraktoren – SCC-VAZ 2021 programme

Approval number(s): SCCP – 0026325

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Installation, Commissioning, Maintenance, Repair, Service and Service Administration for the operation of technical firing systems as well as systems for energy and environmental engineering and related electrical monitoring and control equipment.

This certificate is a continuation of a previous approval from another certification body as follows:

Previous original SCCP approval on 3-June-2009, TÜV NORD CERT GmbH certificate number 44 106 081938

Paul Graaf

Area Operations Manager, Europe

Issued by: LRQA Deutschland GmbH
